Take up one idea. Make that one idea your life; dream of it; think of it; live on that idea. Let the brain, the body, muscles, nerves, every part of your body be full of that idea, and just leave every other idea alone. This is the way to success, and this is the way great spiritual giants are produced.

*You have to grow from the inside out. None
can teach you, none can make you spiritual.
There is no other teacher but your own soul.*

FACTOBER

*In a conflict between the heart
and the brain, follow your
heart.*

The great secret of true success, of true happiness, is this: the man or woman who asks for no return, the perfectly unselfish person, is the most successful.

FACTOBER

A person is seen from behind, standing on a dark, rocky mountain peak. They are looking out over a vast, hazy landscape of rolling hills and mountains under a soft, overcast sky. The overall tone is contemplative and inspiring.

*All power is within you; you can do anything and everything.
Believe in that, do not believe that you are weak; do not believe
that you are half-crazy lunatics, as most of us do nowadays. You
can do anything and everything, without even the guidance of any
one. Stand up and express the divinity within you.*

FACTOBER

A man is shown in a dynamic, low-to-the-ground pose, possibly performing a stunt or a dance move. He is surrounded by a large, billowing cloud of dust or sand that is kicked up from the floor. The background is dark, and the scene is dramatically lit, highlighting the man and the dust. A semi-transparent grey box is overlaid on the image, containing a quote in a white, cursive font.

*We are what our thoughts have made us; so
take care about what you think. Words are
secondary. Thoughts live; they travel far.*

FACTOBER

*Be not Afraid of anything. You will do Marvelous
work. it is Fearlessness that brings Heaven even
in a moment.*

FACTOBER

A hand is shown at the bottom, reaching upwards. Above the hand, a large, dark, irregular rock is falling from the top of the frame. Numerous small, dark particles are scattered in the air around the falling rock, suggesting it is breaking apart or has just been thrown. The background is a solid, bright blue.

*You cannot believe in God
until you believe in yourself.*

FACTOBER

*Strength is Life, Weakness is Death.
Expansion is Life, Contraction is Death.
Love is Life, Hatred is Death.*
